Flood Clean-Up Procedures Wednesday, April 24th

If your home was damaged by flood water on Thursday, April 18, 2013, the City will help you clean-up. We recommend that you photograph all of the damage to your property and personal belongings and contact your insurance company. With your insurance company's approval, place any damaged items at the curb in front of your residence by

9:00 A.M. on Wednesday, April 24th

and the City of Burbank will pick it up free of charge and haul it away. We appreciate your patience and regret any inconvenience this natural disaster may have inflicted on your family.
